Project: Images of Research

Project contact: imageofresearch@strath.ac.uk

I consent to Images of Research (University of Strathclyde) using photographs and/or video recordings including images of me, both internally and externally, to promote the Images of Research competition and exhibition, as well as the work of the University. These images could be used in print and digital media formats including print publications, websites, email communication, digital advertisements, social media, the University prospectus and materials for teaching, research and promotional purposes.

I understand that images on websites can be viewed throughout the world and not just in the United Kingdom and that some overseas countries may not provide the same level of protection to the rights of individuals as EU/UK legislation provides.

I understand that the Images of Research will retain the images/footage/audio for a period of five years at which point they will be deleted from the University's files. There may be exceptions, when some of them are passed to the University Archive department to form part of a permanent record or are used for a longer period of time.

I acknowledge that full copyright of the images/footage/audio and content derived from such, belongs to the artist and any element of the images/footage/audio may be used as detailed above.

I have read and understood the conditions and consent to my image(s) being used as described above.
